## MASTER IN PUBLIC ADMINISTRATION (REGULAR / WEEKEND)

## MASTERS OF PUBLIC ADMINISTRATION (REGULAR / WEEKEND)

Due to the challenges of the work environment and other commitments, many qualified people are unable to enroll into the regular Master of Public Administration programme. This programme has therefore been designed to cater for such busy professionals. The programme is a 4-Semester (2-year) programme that runs on Friday evenings and Saturdays.

### Why study Master of Public Administration at the University of Ghana Business School?

Our two-year MPA programme prepares students at the entry, mid-career and executive levels for leadership roles in public service and policymaking. The course is meant for individuals who have carved a career course in management and administration, and also equips people who are working in the public and non-governmental sectors, with advanced administrative knowledge.
