

UNIVERSITY OF GHANA

University of Ghana Business School

EMBA Project Management

Step Into Excellence

Programme Overview & Objectives

This is a four semester Programme. However students may take up to six semesters to complete.

The Programme provides skills beyond the traditional class room experience. It equips the executive student with practical Project management and strategic knowledge. The Programme focuses on the qualities and skills required for the executive student to achieve success as a Project Manager.

The executive students' experience is enhanced through global traveling, interaction with experienced lecturers and international students in a form of conference, seminars and workshops.

Lecture Period

The Programme is run for 13 weeks, where lecturers are held in the evening from Monday – Friday at 6pm to 9pm.

Admission Requirements

Intake Options

There are two intakes in a year (February & August)

Requirement Requirements

The Programme requires a good first degree (at least 2nd Class Lower Division) from a recognized university or an equivalent professional qualification. An executive student must have at least five years relevant work experience.
