

UNIVERSITY OF GHANA

University of Ghana Business School

MSc. Climate Change & Sustainable Development

Step Into Excellence

Programme Overview & Objectives

This is a 1-year intensive graduate programme designed to build post-graduate level capacity in climate change and sustainable development to produce the much needed expertise in Ghana and beyond. The programme strengthens research in climate change assessment, mitigation and adaptation and sustainable development.

Lecture Period

The Programme is run for 13 weeks, where lecturers are held from Monday - Friday at 7:30am - 5:00pm.

Admission Requirements

A good first degree (at least a Second Class Lower) in Physical or Natural Sciences, Agricultural Science, Business Administration, Management, Development Studies, Social Science or Law from a recognized university. There is one admission in August every year.

An entrance examination or interview may be conducted.

*Applications for admission into this programme are opened from 28th January every year and closes on 30th April.
