

MSC DEVELOPMENT FINANCE

One Year Master's Degree Programme - Weekend

Programme Overview & Objectives

The MSc Development Finance programme aims to equip students with the necessary skills to make a meaningful contribution to policy formulation and implementation in this field. The programme is designed to provide:

- Broad knowledge on the concepts and skills related to finance in developing and emerging markets.
- Knowledge and skills in financing the design and implementation of development projects.
- Good appreciation of current issues on development finance, both at the macro and micro levels in developing and emerging economies.
- Appreciation of the challenges with respect to

development finance in developing and emerging economies.

- Provide the platform for postgraduate research in the area of development finance in developing and emerging economies.

Admission Requirements

The admission requirement for the programme is a good first degree (at least 2nd class lower division) and 2 years work experience in a related field or any other degree from a recognized university. An equivalent professional qualification, with at least five (5) years relevant work experience in executive positions.

Applications for admission into this programme are open from January to March every year.

Lecture Period

This is a 1-year master programme offered for two (2) semesters on full-time basis and four (4) semesters for part-time.

Lectures are held on Thursday, Friday evenings (6:00pm to 8:30pm) and Saturdays (7:30am to 6:30pm)
